Nena - Four Star by Madeline Bell (eBook) - Lulu Buy Nena - Four Star by Madeline Bell (eBook) online at Lulu. Visit the Lulu Marketplace for product details, ratings, and reviews. Amazon.com: Customer reviews: Four Star (Nena Book 4) Four Star is another of Bell's books about a male with a female persona that is more interesting and exciting than the character's male persona. The story has little of the scarier issues of gender transition, but deals well with many of the simpler perceptions of the general public of how both males and females are dealt with in the work place.
